Let's continue to "Light up our Dreams"!

Newly re-designed Pin

Are you a Dream Maker?

The Dream Maker pins...and later the Dream Maker jars have become an amazing way for our members to support our "Dream Programs" every year, even if they are unable to attend the Spring Conference.

So, fill up those jars and turn in your Dream Maker donations to your club treasurer. She will then bring 1 check made payable to GWR along with a list of your names and donated amounts. (Be sure to roll those coins for her)

If you donate $100, you will receive the newly re-designed 2020 Dream Maker pin. If you did not get your 2019 pin, those will be available at conference as we now have more.

You can also just order your pin at the SC STORE through registration on the Golden West Region website and it will be waiting for you at conference.

Help us keep the "Dream" alive...We can do this!
