Golden West Region News Blast

May 2015

GWR Spring Conference

Have you registered all of your club members?

The Spring Conference Committee has been working tirelessly to put together a wonderful conference for you this year. We have extended the deadline for registering to May 15 to make sure everyone gets a chance to participate.

What about those new members in your club that have never been to Spring Conference? Don't you think it's time that they were "exposed" to the bigger picture? There is a wonderful interactive membership event on Thursday night to help clubs with recruitment and retention. Friday night is our "FUN"draiser GWR Dream Stakes, and who among us can sit through our Live Your Dreams Awards without shedding a tear or two? These are experiences your new members don't get by coming the club meetings.

We have three members of Soroptimist International of the Americas joining us this year. President Poco Davis, President-elect Sam Buchenau and Executive Director Liz Lucas. Having this many SIA officers at our conference will probably never happen again so come and get to know them.

We also are having wonderful workshops that will be a great orientation to Soroptimist for your newbies.

DON'T MISS OUT! REGISTER TODAY!!

The GWR Dream Makers

Come to the Fundraising table at Spring Conference and learn what it takes to be a DREAM MAKER! Be one of select few who will be recognized at Spring Conference for participating in the first year of this new program. Region Fundraising Chair Kim Cook will be happy to get you signed up!

New Club Officers

.By now your club should have elected your officers for the new club year. Don't forget to report your new officers to SIA and to your Golden West Region Secretary, Mandy Mann. They will be using the contact information over the next year to give you all of the latest and greatest information as it occurs.

Your new President and new Treasurer should absolutely attend the workshops set up especially for them at Spring Conference. There they can get the tools to start off the new club year.

THANKS
FOR VOTING!

It's good to BEE a Soroptimist –

Governor Sandi
