PRESIDENT'S MESSAGE

Vicki Hightower
2018-19 SIR President

*And, so, Christmas comes
to bless us!
Comes to teach us how to find*

*The joy of giving happiness
And the joy of being kind.*

*~Gertrude Tooley Buckingham,
"There Will Always Be a
Christmas" (1940s)*

As members of Soroptimist International of Riverside, we don't wait for the holidays to give happiness and be kind. We do it all year long!

In looking back on the first six months of our fiscal year, I am amazed at how much we have accomplished.

We first started with a wonderful induction ceremony, then moved on to provide school backpacks filled with school supplies for Arlington Temporary Assistance (ATA), a project chaired by Louise Borda. Inspired by this project, Judy Pekarek started two canned food drives for ATA.

We hosted a very successful Fall Meeting where we met with Soroptimists from neighboring clubs to celebrate our successes, learn from each other and recommit ourselves to our goal of empowering women through access to education.

As chair of the GED committee, Janet Payton is moving forward with a program which will pay for women to test for their GED's.

We have had two very successful fundraisers piloted by Ellen Clizbe and Annamarie Megruchian, as well as Carolyn Kegarice's ongoing Scrip fundraiser.

Our major events, the "Valentine Dessert Auction" chaired by JoAnn Moore and the "Live Your Dream, Dream It Be It" conference chaired by Jeanne Hatcher, are well underway and promise to be our most successful yet!

Thanks to Amy McKenzie and Melody Hendrickson, SI Riverside's social media presence has expanded beyond Facebook

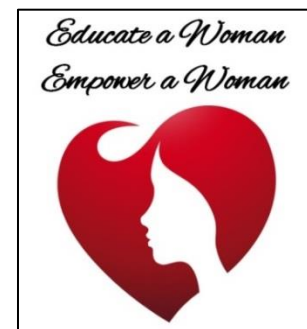

and we are now on Twitter, Instagram and LinkedIn.

Membership chair Lynn Scecina has knocked it out of the park and we have four new members with a fifth to join shortly.

And now we look forward to our holiday party on December 13th that Susan Wolf has graciously agreed to host.

There is so much we have accomplished in a short time that I'm certain I'm forgetting something. Needless to say, I am extremely thankful to all SI Riverside members for their commitment to the club and the community and I am also thankful for the unique talents and gifts you all bring to our club. I wish all of you and your families a wonderful holiday season.

DECEMBER 10, 2018 INTERNATIONAL HUMAN RIGHTS DAY

*The Universal
Declaration of Human
Rights turns 70!*

*Let's stand up for
equality, justice and
human dignity!*

Human Rights Day is observed every year on December 10th, the day the United Nations General Assembly adopted the Universal Declaration of Human Rights in 1948.

This year, Human Rights Day marks the 70th anniversary of the Universal Declaration of Human Rights, a milestone document that proclaimed the inalienable rights which everyone is inherently entitled to as a human being regardless of race, color, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. It is the most translated document in the world, available in more than 500 languages.

Drafted by representatives of diverse legal and cultural backgrounds from all regions of the world, the Declaration sets out universal values and a common standard of achievement for all peoples and all nations. It establishes the equal dignity and worth of every person.

Thanks to the Declaration and States' commitments to its

principles, the dignity of millions has been uplifted and the foundation for a more just world has been laid. While its promise is yet to be fully realized, the very fact that it has stood the test of time is testament to the enduring universality of its perennial values of equality, justice and human dignity.

The Universal Declaration of Human Rights empowers us all. The principles enshrined in the Declaration are as relevant today as they were in 1948. We need to stand up for our own rights and those of others. We can take action in our own daily lives to uphold the rights that protect us all and thereby promote the kinship of all human beings.

- The Universal Declaration of Human Rights empowers us all.
- Human rights are relevant to all of us every day.
- Our shared humanity is rooted in these universal values.
- Equality, justice and freedom prevent violence and sustain peace.
- Whenever and wherever humanity's values are abandoned, we all are at greater risk.
- We need to stand up for our rights and those of others.

SOROPTIMIST INTERNATIONAL OF THE AMERICAS

December 10th SI President's Appeal 2017-2019

Soroptimists are invited to support the 2017-2019 President's Appeal, "Women, Water & Leadership," once again joining with the SI membership around the world for a common goal.

Clubs or members can make a donation through our own SIA Federation and you might hold a fundraiser and use social media and websites to create awareness.

At least five projects will be supported on five continents that educate, empower and enable women and girls to lead in water, embracing the UN Sustainable Development Goals (SDGs) and the targets set out in SDG 6: Water and Sanitation, SDG 4: Education and SDG 5: Gender Equality.

The President's Appeal is committed to promoting the inclusion of women in water resource governance as experts and leaders during all phases of the projects. Women will be equally involved in decision-making throughout the entire project cycle – from education and capacity building, through to design, implementation and monitoring.

The President's Appeal seeks to reach the goal of raising £350,000 over two years and to have improved, sustainable, accessible and affordable water products and services on five continents.

NOVEMBER 1, 2018 CALIFORNIA PIZZA AND NOTHING BUNDT CAKES FUNDRAISERS

**"Pizza with a
Purpose"**

**"The Sweet Side of
Soroptimist Spirit"**

Dear Friends:

Many thanks to all of you who gave your time and money to support the California Pizza Kitchen and Nothing Bundt Cakes fundraisers. I hope you enjoyed your food and had fun with your friends and/or family.

Your involvement in both fundraisers raised a total of \$264 which will go towards funding our Live Your Dream Conference for 150 AVID seventh and eighth grade girls in the Riverside, Jurupa and Alvorad Unified School Districts.

Annamarie Megrdichian and I greatly appreciate your fantastic support.

Warmly,
Ellen Clizbe

JoAnn Moore's family did take out and she sent a photo of the empty pizza boxes. YUM!

NOVEMBER 13, 2019 CANNED FOOD DRIVE FOR ARLINGTON TEMPORARY ASSISTANCE

*Dave and Judy Pekarek with
Ophelia from Arlington
Temporary Assistance*

Thank you all for donating the food for the Arlington Temporary Assistance (ATA).

Dave and I delivered the food the club collected and spoke with Ophelia who was overwhelmed by our club's generosity.

She explained to me that she thought the United Way might be dropping them from their list this year. This will be a tremendous loss for ATA.

She also stated that she has to close the office early almost every day due to the fact that they run out of food and she does not like to turn anyone away as the need is so great.

She continuously thanked us for the food and even brought up the backpacks that we so generously fill each year.

This is such a worthy project and not to mention that it is a simple thing to do. As we shop for food for ourselves, it is so easy to pick up an extra can of food, package of rice, beans, etc. Anything we

donate is appreciated by Ophelia.

A special thank you to Charlene Johnson who made up a flyer, walked around her neighborhood and collected food for this worthy organization. Way to go, Charlene!

A reminder that we are again gathering food for ATA for Christmas. Please bring any donation you can to the business meeting on Dec. 11.

INSPIRE LIFE SKILLS
TRAINING

Foster youth who are aging out of the foster care system have higher rates of being undereducated, underemployed and becoming homeless. It is startling that 65% of former foster youth end up homeless and that less than 6% attend college. These teenagers often find themselves instantly on their own without housing or support from family or community. Without mentoring and motivation, most former foster youth find themselves homeless, pregnant, on drugs or in jail.

Inspire Life Skills Training, Inc. is working to change the bleak future for foster youth. Inspire gives housing to these young men and women and provides them with support in the form of mentors and life skills training as long as they are attending school.

For over two years now, SI Riverside has adopted the Inspire house on Luther in Riverside. By adopting the Luther House, SI Riverside has committed to provide the four young women in residence with hot meals, treats, gifts, groceries and supplies and anything else that comes to mind.

The wonderful young women residing at the Luther House as they pursue higher education are Shanna, Amirah, Naomi, Maria and the Resident Assistant is Briana.

The house is always in need of paper products (including feminine products), fresh fruit and vegetables and whatever you can think of that would make these young women happy.

Also, during this holiday season, consider sending the young women a note to encourage them to continue their pursuit of education and wish them well.

Vickie Hightower
Inspire Adopt-A-Home Chair

Soroptimist Ladies:

Thank you to you wonderful ladies for donating the amazing Family Day basket.

We are also so grateful for all that you do for the girls at the Luther House. The meals and goodies are a huge source of encouragement to the girls.

*Happy Inspiring,
Krista*

THANK YOU FROM AN AWARD WINNER

We recently received a graduation announcement from one of our Woman Opportunity Award winners from 2015. (This award is currently called the Live Your Dream Education & Training Award).

This award is given to a woman who is seeking to improve her economic status by gaining additional skills, training or education. It is not a scholarship but rather a cash award to offset any costs associated with efforts to attain higher education including tuition, books, supplies, child care or transportation costs.

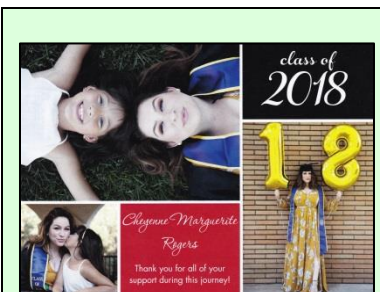

*April 2015: Cheyenne Mata
(on the right) with Tillie Soliz,
Woman's Opportunity Award
Committee Chair*

In 2015 Cheyenne Mata received this award. She was a sophomore at UCR with a goal to obtain her BA degree in Media and Cultural Studies. Her aim was to minor in Public Policy and

be an advocate for legislation to assist youth in foster care.

Cheyenne has now graduated from college and sent us the following college graduation announcement.

Her comments reinforce why we do what we do as members of SI Riverside. What a great feeling to know that we (meaning "you") helped Cheyenne reach her dreams and move on to a more prosperous and productive future.

Dear Soroptimist of Riverside:

I was the lucky recipient of the "Live Your Dream Award" in 2015. It was the first scholarship I won and an incredible experience.

When I attended the luncheon, I was able to talk about my story and experience and even got a standing ovation.

My determination to succeed was strengthened by Soroptimist's belief in me. To be selected was not only a huge financial help but boosted my belief in myself.

I wasn't just a single mom and foster youth. I was someone with real potential and had the support of an amazing organization.

Thank you.

*Love,
Cheyenne and Layla*

SI RIVERSIDE'S HISTORY

MAY 2003: SI Riverside & Exchange Club hold "Golf 2003" Tournament

Soroptimist International of Riverside and the Riverside Exchange Club together presented the Golf 2003 Tournament on May 19, 2003 at the Indian Hills Golf Course in Riverside.

SI Riverside past presidents Glenda Richards and Pam Bradford co-chaired the tournament while all the members of the club worked hard on the day of the event.

Golf 2003 was a huge success and everyone had a great day of fun and golf. SI Riverside raised over \$4,000 to help fund their many projects that advance the status of women and girls in the local community.

SOLT Soroptimist Orientation and Leadership Training

Leadership Tip: Team Building Within Your Club

We hear a lot of talk about teams: Building a team, working as a team and reference to co-workers as part of "the team." Members are also part of a team – their club, and beyond that, Soroptimist International of the Americas.

We also hear that "talk is cheap" which means it's easy to talk about something but harder to actually do it. So it's important to think about how to foster teamwork among members.

Belonging to a team, in the broadest sense, is a result of feeling part of something bigger than YOU. Simply put, a team is a group of people working towards a common goal and equally as important, understanding the group's mission and objectives.

As Soroptimists, that means working on our mission to improve the lives of women and girls, both locally and globally. When we come together to do this, we empower our members, engage them and increase our collective impact!

Check out these few tips on how clubs and members can utilize a team approach in order to reach our goals.

Get to know each other:

Soroptimists love to socialize. There is no doubt about that! Make sure you talk to each other and get to know everyone in the club, not just a small circle of acquaintances. Expand your network and find out where your fellow members' interests and values lay. Talk about family, hobbies, work and why you're committed to the Soroptimist mission.

Make sure everyone is on the same page:

Does everyone in the club have a clear picture and know the mission? Orientations of new members can be a big help in this area. Also, reiterating who we are, what we do, and why we do what we do is beneficial to both new and seasoned members because it emphasizes the importance of their commitment to Soroptimist.

Utilize talents:

Once you know a member's strengths and skills, match them up to an appropriate committee or subgroup within the club. Maybe you will find someone who can be a great mentor for a newer member or someone with an interest and flair for keeping up with your club's Facebook page. A member may even stand out as someone to tap for a leadership role in the club!

Have a team building activity:

Improve communication, boost morale and motivate by simply adding a fun, short activity to your meeting to encourage teamwork. A simple internet search on "team building activities" will yield a number of ideas and options you can adapt for your club.

Recognize and reward:

Finally, you can never say thank you enough! Praise and give gold stars to those who work together for the greater good. When members get excited about their volunteer work, when they believe they have something to give back and, most importantly that their contributions are valued, there are no limitations to what can be accomplished.

Fostering teamwork is an ongoing and challenging endeavor among our diverse membership. However, doing so will heighten the sense of ownership and loyalty among members which in turn can lead to an increase in member satisfaction and retention!
