Greetings,

Welcome to the 2019 Golden West Region District 1 Fall Meeting!

As Soroptimists, we spend our time and energy to improve the lives of other women and girls. Our Dream programs provide the vehicles through which we can have collective impact to achieve our goals. Today we will all be reminded that we are each in Clubs that are part of a bigger picture...a region and beyond. We will be updated on the "business" of our region, but mostly, we will spend some time reconnecting. We will see familiar faces, as well as new ones.

Today's theme is "Never Stop Dreaming." A fitting phrase for Soroptimists! However, in addition to describing our work for others, consider how the phrase applies to us as individuals. Experts tell us, and research shows us, that as women we often neglect ourselves in our service to others. So, today, let's take a few moments to reflect on our personal goals and dreams. Our guest speakers will help us in this task.

We all have different skills and capabilities. These are used within our clubs and communities. However, we cannot be effective in our tasks without leadership. We are blessed with a Club and Region structure that provides opportunities for leadership at many levels. As you go through this day, be thinking about what you can contribute in the area of leadership.

Soroptimist International of Corona has been pleased to sponsor this District conference. On behalf of our Club, I wish you a day of learning, connection, reflection - and, of course, laughter.

Best Regards,

*Beth Groves
President 2019-2020
