Election Credentials Form Information

Each club eligible to vote at Spring Conference is permitted to cast three votes per voting item.

Clubs generally select the current club president and two elected delegates to represent them, making sure each has eligibility voting status. If the club president is unable to attend the Spring Conference, or if she is already qualified to vote as a Golden West Region Board Officer, District Director or a Past Governor (DOÑA), your club may register a third delegate. Delegates should review the Reports for Business Meetings with their clubs for guidance on voting.

Part 1 of the Election Credentials Form must be filled-out and signed by the club president naming the three club delegates. The form is included in the 2020 Call to Spring Conference. DOÑA's must fill in Part 2 of the Election Credentials and submit their form separately.

Each registered voting delegate MUST check-in personally with the Credentials & Elections Coordinator to receive her Credentials Voting Card at the Spring Conference.
