#### Educational Experience:

*MBA from the University of Redlands  
Business/Accounting degree from California Polytechnic in Pomona*

#### Other Qualifications:

*Former "S" Club member*

#### Contributions I will make if elected:

*I have had the distinct pleasure to have been involved with Soroptimist International in high school as an "S" Club member and as a young professional as a Venture Member and now for many years as a Soroptimist. Beyond my professional experience, I will bring a passion for the core values of the organization. I would also hope to be an example that as members we all have something special to give to Soroptimists and encourage all members to reach for leadership positions and to mentor our younger members to stay involved and to help all members embrace our evolving club and the world in which we try to make better. Finally, I am also very proud that both my mother and two daughters are also active Soroptimists.*
