SIA Federation Experience:

None

Educational Experience:

Doctorate in Educational Leadership from NAU 1998
MA in Applied Sociology from NAU in 1979
BS in Sociology from NAU in 1978

Other Qualifications:

I am dedicated to Soroptimist and to helping women and girls. I have always been an advocate for women and girls to be treated with respect and dignity.

I will be retiring from my full-time job in June 2020 and will have the time to devote to being a district director.

Contributions I will make if elected:

Assist and preside over the district meeting and issue call to district.

Communicate on a regular basis by phone and email with each club president, leadership, and members. Should concerns come up, report problems to the Golden West Region governor. Visit all clubs in the district at least once during the biennium, providing clubs with support and helping, when called upon or necessary, education, leadership development, and recruitment/retention advice. Attend GWR Board meetings and be open to ideas and suggestions from other GWR Board Members. Provide feedback to clubs, but also from clubs to improve communication and support. My career has been in social service and education, so, finally, live by the Soroptimist Pledge.
