## **SOROPTIMIST Means BEST FOR WOMEN**

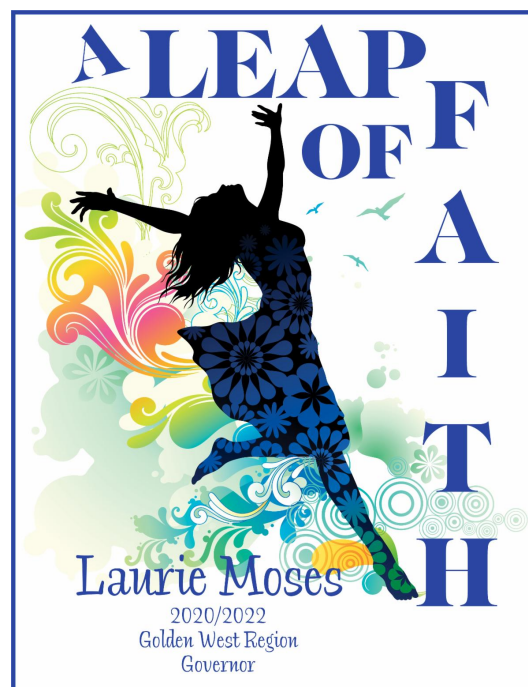

### **Welcome to a New Biennium!**

**From Governor Laurie Moses**

I am so excited to introduce to you the incredible women of the Golden West Region board of directors. We have started already to plan and strategize about the future of the Golden West Region going into our organization's "Next Millennium" and we can't wait to share our ideas with you!

Please thank and congratulate everyone of these extraordinary women on the region board for stepping up and taking the lead to guide our region effectively into the future, especially during these difficult times.

Our Theme "A Leap of Faith" is not intended to be a religious quote per-se, but the idea that for almost 100 years we have worked tirelessly (and will continue to work) to further

our mission and to have "faith" that our endeavors are impacting the Women & Girls whose lives we are striving to improve and empower.

## SIA Virtual Convention

### From SIA Headquarters

Dear Soroptimist,

Although we can't come together in person, we are excited to bring convention to you as an online experience. While this can't take the place of the fun and fellowship gathering together brings, we hope you'll enjoy a different kind of convention from the comfort of your home.

A digital convention program will be emailed to all members in **early July**. This is a great opportunity for members who may not have been able to travel to conventions before to experience our mission on the international stage.

## GWR LEADERSHIP TRAINING

Members of GWR have spoken and we have postponed our Leadership Training and Board Installation to **Sept 25 & 26** in Ontario, California (if Covid-19 restrictions are lifted). The CALL for this event will be available August 5th and the deadline for registration will be August 25th.

We are also planning a "Virtual Training" for club Presidents & Officers **August 24th - 28th** that will provide the "nuts and bolts" of planning for and facilitating your clubs in the new year.
