PRESIDENT'S MESSAGE

Edith Gingerich
2020-21 SIR President

As we enter a New Year and say good riddance to 2020, we look forward to again assisting girls and women achieve their dreams and highest potential by assisting them with their education.

2020 was a hard year for everyone thanks to the Covid-19 pandemic. I'm so very proud of the resilience the women in this club have shown in adapting to new virtual conditions. As we all recall, our Live Your Dream conference had to be cancelled at the last minute due to Covid-19 conditions. As we go forward, we need to pat ourselves on the back and remember that we were able to give several scholarships and awards and have already raised over \$6,000 in donations for our service fund. We still have lots of work to do to reach our fundraising goals that allow us to assist women and girls achieve their dreams. We look forward to

a fabulous Virtual Valentine Dessert Auction beginning on February 6, 2021, in lieu of our signature Valentine's Day Auction and Battle of the Bakers thanks to JoAnn Moore and her committee.

We also have a virtual Live Your Dream: Dream It Be It Conference this year thanks to the tireless work of Michelle Paradise and her committee to look forward to! And our Salute to Service committee chaired by Paula McCroskey is making great progress already this year with 6 excellent applications for our Student Volunteer Award! We have also assisted a very deserving young woman in attending a leadership conference who will report back to us on the conference at our March program meeting. We all pray that the new Covid-19 immunizations will help lower the curve of this devastating virus and that we will soon be rid of it not only locally but worldwide! We also have a new administration coming into our country's Presidency who we hope will be very aggressive in battling the virus.

Going forward, as Soroptimists, we must keep our goal of assisting even more girls and women in reaching their Dreams! Thank you all! Your dedication to the Soroptimist mission changes lives! Keep up the good work!

Sincerely yours,

Edith Gingerich
2020-21 SIR President

JANUARY 11, 2021 INTERNATIONAL DAY OF HUMAN TRAFFICKING AWARENESS

National Human Trafficking Awareness Day on January 11th raises awareness of the persistent issue of human trafficking. Though the entire month of January has already been recognized as National Slavery and Human Trafficking Prevention Month, this day is specifically dedicated to awareness and prevention of the illegal practice. This holiday is also separate from the World Day Against Trafficking Persons as established by the United Nations.

Since the Senate established this day of observance in 2007, it has drawn massive public support from individual donations to government-organized events. The horrific injustice of human trafficking can affect people of any race and background and on this day we are all called to fight human trafficking wherever it exists.

HISTORY OF NATIONAL HUMAN TRAFFICKING AWARENESS DAY

Human trafficking, according to Unitas, is the exploitation of another person for labor, domestic servitude or commercial sexual activity by force, fraud or

coercion. It is also the act of enslaving or exploiting unwilling other people. Unfortunately, slavery in some form has existed for hundreds of years and persistently exists today, though many are unaware of this fact.

Most are familiar with the slave trade of the 1400's and beyond. Instituted by Europeans, the slave trade captured and held in bondage millions of Africans from across the continent, eventually selling them for labor or sexual exploitation. This practice flourished in countries like Spain, the growing United States, Holland, France, Sweden and Denmark for centuries.

It was not until the late 1700's and 1800's that governments began to declare the Transatlantic slave trade illegal, with Great Britain setting the example in 1807 and the United States following in 1820. The slave trade became a crime punishable by death but many years passed before more widespread freedom was achieved. The Emancipation Proclamation of 1863 largely put an end to slavery and the Thirteenth Amendment of 1866 abolished it.

It was after the recognition of the Transatlantic Slave Trade as immoral that governments began to discuss "white slavery," the term used at the time for sexual human trafficking. 1904 saw the passage of the International Agreement for the Suppression of the White Slave Traffic, written into law by European monarchs, and 12 countries signed the International Convention for the Suppression of the White Slave Traffic. The League of Nations soon changed the name from "white slavery" to "traffic in women and children."

The late twentieth and early twenty-first centuries saw gains for the movement against human trafficking. In 2000, the Trafficking Victims Protection Act addressed modern-day slavery, becoming the first federal law to do so. The American charity group Free The Slaves, part of Anti-Slavery International, was also formed. In 2007, the United States Senate ratified the resolution establishing January 11th as National Human Trafficking Awareness Day. In 2010, President Obama dedicated the entire month of January to awareness and prevention of human trafficking. Today, there are over 50 established organizations that globally combat this illegal practice and more awareness has been raised than ever before.

SOROPTIMIST INTERNATIONAL "ORANGE THE WORLD" PROJECT

**Article Prepared by:
Karin Roberts**

"ORANGE THE WORLD"

The color orange symbolizes a brighter future, free of violence. It also serves as a means of demonstrating your solidarity in eliminating all forms of violence and it is therefore used as the color of the International Day for the Elimination of Violence against Women.

The "16 Days of Activism Against Gender-Based Violence" is an annual international campaign that kicks off on November 25th, the International Day for the Elimination of Violence against Women, and runs until December 10th, Human Rights Day. It was started by activists at the inaugural Women's Global Leadership Institute in 1991 and continues to be coordinated each year by the Center for Women's Global Leadership. It is used as an organizing strategy by individuals and organizations around the world to call for the prevention and elimination of violence against women and girls.

Examples of "Orange the World" Club Projects:

SI Südburgenland Stegersbach's "Orange the World" project was very successful. Churches, city hall, castles within their geographical service area were illuminated in orange from November 26th to December 10th:

- A very impressive interview on national TV with SI Austria President Eliette Thurn.
- Official statements given by Mayor Georg Rosner, City of Oberwart.
- EU representative Christian Sagartz and Legislative Assembly President Verena Dunst showed their support for the event promoting zero

tolerance for violence against women.

- A collaboration with one of the high schools in the city of Oberwart involved students (female and male) who expressed their thoughts about violence against women in pictures. All of them are posted on the club's Facebook page.

Soroptimist International of Austria

Austria clubs tripled the numbers of illuminated objects within the last three years: 223 buildings, castles, statues, landmarks, churches, city halls, government buildings, etc., were illuminated in orange for 16 days from November 26th to December 10th.

Soroptimist International of Germany

SI Germany has 223 clubs and many of them participated in the project "Orange the World." In addition to illuminated buildings, billboards, laser shows, art installations and posters, SI members wore orange shawls, umbrellas and coats and had information tables in their city's pedestrian zones.

Soroptimist International Erlangen, Germany

Raised awareness by distributing orange paper coasters to restaurants with information for a women's shelter and help line phone number.

Soroptimist International Fürth, Germany

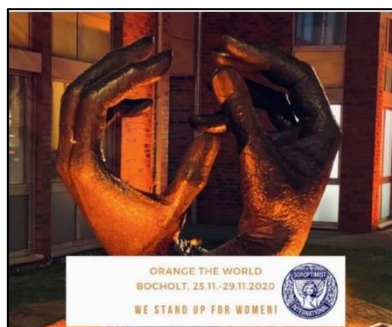

Club members collected 800 Euros in two hours for a women's shelter.

Soroptimist International Köln (Cologne, Germany)

Soroptimist International Bocholt, Germany

DECEMBER 17, 2020 VIRTUAL HOLIDAY PARTY

Members of Soroptimist International of Riverside came together on Zoom on the evening of December 17th for a "Virtual Holiday Party."

Since we could not hold our annual ornament exchange, we each brought ornaments to the party that were special to us and shared the traditions and histories behind each of them. We played Christmas bingo which was hilarious as we tried to find the Christmas objects on our bingo cards that were verbally described to us.

Seeing member's pets and enjoying the company of two Soroptimisters was also terrific.

Since we could not meet in person this year, being with each other virtually and sharing a few holiday moments together was very memorable to all of us.

Best Party

Ever!

DECEMBER 22, 2020 ARLINGTON TEMPORARY ASSISTANCE TOY DRIVE

Ophelia, from Arlington Temporary Assistance, greeted me on Tuesday, December 22nd, to accept the toys donated by the very generous SI Riverside ladies. The patrons were to come

throughout the afternoon for food, unaware there would also be toys for their children. Ophelia set up three tables— one for girls, one for boys and the middle one for table games and books.

The kids were excited and were allowed to choose their toy by pointing to it, no touching. They were having fun. One little girl chose a small doll but her mother wanted her to get a big one. The girl got the small one when Ophelia said "If she chooses it, she'll play with it."

An adult special needs girl has been wishing for a baby. She chose a small doll and was thrilled to finally get her "baby". One patron has eight-year-old twins, one has COVID-19 and is in the hospital, so Ophelia set aside toys for them.

"Since we are on a very small budget, there is never money for toys," Ophelia said. "This was a real blessing." The children and parents loved it. She thanks all the members involved and wishes everyone a Happy New Year.

Just adding my thanks for your generous response. We delivered over sixty toys to put smiles on the faces of underprivileged children served by Arlington Temporary Assistance. Wishing you a New Year filled with good health, security, and joy.

DECEMBER PAMPERED CHEF FUNDRAISER

The Pampered Chef fundraiser held by SI Riverside member Annamarie Megrđichian raised a total of \$300 for our club.

\$1,064 of Pampered Chef goods were sold during the fundraiser which raised \$266 for our club. However, due to Annamarie's generosity, she went ahead and personally donated more funding to round up the proceeds to \$300.

Many thanks to Annamarie Megrđichian for holding this fundraiser for SI Riverside. In the time of Covid-19, even \$300 added to the club's treasury is an amount worth celebrating.

Thank You
Annamarie!

HAPPY NEW YEAR MEMBERS AND FRIENDS

This year holds new opportunities to reach our fundraising goals. Admittedly, it was hard at first to believe we could do things differently. Many clubs have had to suspend their activities. However, that is not what the ladies of Soroptimist International of Riverside have done. If anything, we have rethought, redone and renewed our commitment to helping women and girls succeed.

Our 25th Annual Valentine Dessert Auction will be held virtually on February 6-10, 2021. Will we miss gathering as before? Yes! Will that stop us from having a successful and fun event? No, because we are not limited to time in a space. We can reach out to more people to support our efforts. In celebration of our 25th Anniversary, we have set our fundraising goal at \$25,000.

This is where each of you can help. In January we ask that you start contacting your friends and family with information about our Auction. The committee has been working hard to create an exciting event that includes many of your favorite items to bid on, as well as

new baskets and services. We will even have Baker participation this year where you can bid on a custom cake provided by previous award-winning local bakers!

Keep checking your emails and our website for updates about our signature fundraiser. Together we can make this the best auction ever!

INSPIRE LIFE SKILLS TRAINING

December was quite a month, ending quite a year 2020. Now it's a new year and a new decade.

I want to start it by shouting out "Thank You" to the wonderful members who donated money to buy the Christmas "Wish List" gifts for one of the young ladies, Mary, who resides at Inspire House.

The special Champion jacket and Nike shoes on her list were bought, wrapped and delivered.

You are all so generous that \$100 extra was donated. We were going to use that for a special Inspire House Christmas dinner. Unfortunately, one of the young ladies was exposed to the corona virus and they were quarantined awaiting test results. If the results were positive they would be quarantined for two weeks or longer if anyone became ill. A couple of the ladies stayed somewhere else while waiting. If results came back negative, they were going to be busy or gone over the holiday. Briana talked with the ladies and they decided to cancel December's dinner so I'll be doing something special for January. The good news is that the tests came back negative.

Besides being generous with your support of what we do, many of you are very creative. For the last four years SI Riverside member Carolyn Kegarice has made Christmas stockings for each young lady and generously overstuffed them with goodies and personal items. She delivered the stockings to Inspire House on December 22nd. Carolyn, I hope Santa was as good to you as you are to others. Thank you!

There are still some opportunities to inspire the young ladies of Inspire House. They are so appreciative and you make their world a little brighter.

Happy and Healthy 2021!

NEWS FROM ERLANGEN, GERMANY RIVERSIDE'S SISTER CITY & SI RIVERSIDE'S FRIENDSHIP LINK

In May/June I was asked by Nadja Steger from the mayor's office of the City of Erlangen and member of SI Erlangen for impressions about the impact Covid-19 has had on individuals in Riverside.

We submitted a few entries and four articles were chosen. One of them was from our very own SI Riverside member Lynn Seccina.

I just received a package that not only contains a booklet with Covid-19 stories from all of Erlangen's sister cities but also a personal thank you letter and some of their famous gingerbread cookies for Lynn Seccina whose

submission was included in the booklet.

IMPORTANT HEALTH WARNING!

DON'T WASH YOUR HAIR IN THE SHOWER!

It's so good to finally get a healthy warning that is useful.

It involves shampoo when it runs down your body when you wash your hair in the shower.

I don't know why I didn't figure this out sooner. When I wash my hair in the shower, the shampoo runs down my whole body and printed very clearly on the shampoo label is this warning:

"FOR EXTRA BODY AND VOLUME"

No wonder I have been gaining weight. Well, I got rid of that shampoo and I am now going to start showering with Dawn Dishwashing Soap instead. It's label reads:

"DISSOLVES FAT THAT IS OTHERWISE DIFFICULT TO REMOVE"

PROBLEM SOLVED! If I don't answer the phone, I'll be in the shower!

THOUGHTS ON LIVING WITH COVID-19

Corona has proved that everything around us is so temporary. Things our lives revolved around ...work, gym, malls, movies, society have all gone for a toss as we are learning to live without them. It has taught us that in the end it's your own home and family that keeps you safe.

Corona virus has turned us all into dogs. We roam the house looking for food. We're told "no" if we get too close to strangers. And we get really excited about car rides and walks.

In the rush to get back to normal, use this time to decide which parts of normal are worth rushing back to.

This pandemic did come with a few silver linings... most of us soon realized it was not the material things we missed, but the human contact. To everyone struggling with being alone during isolation... this is how our grandmas and grandpas and parents feel when we don't visit. This is how the older people in nursing homes feel when no one visits. Remember them when this is over!

Ok, but honestly. How blessed are so many of us that during a global pandemic, we can just stay warm at home, reading, working, still being educated, creating, talking to our loved ones, with little worries and a fridge stocked with food?

Do remind yourself to be grateful today.
